September Free with Order Promo Cards:

This month will feature a variety of free with order promo cards, starting with three autograph variants of our xArtist program's first card:

After we run through our remaining xArtist cards, we will begin including singles from our test print set, 2025 TCP Collectosaurus 1902-03 World Series of Football Test Issue. More on that mini-set on the following page...

Announcing 2025 TCP Collectosaurus 1902-03 World Series of Football!

We are still plowing forward with our plans to develop into a full-fledged publisher! As part of this push we are pleased to announce the Test Issue of 2025 TCP Collectosaurus 1902-03 World Series of Football.

The eight cards shown above make up the Test Issue mini-set.

This mini-set features a number of sample card types that demonstrate the ideas that we have behind the construction of a collection-worthy set. While this Test Issue only includes samples of base cards, our larger plans for the complete set include a variety of insert sets, including some traditional chase and hit cards...

That all said, setting up as a publisher with better printing and packaging equipment requires more investment on our part, which is where public support through the purchases of items in our store or via subscriptions to our Patreon page comes in. There are only 99 serial numbered prints of each card, and we will be making a few complete sets available for purchase in our eBay store for those that are interested.

To learn more, check out the next two panels to the right and our various social media accounts!

2025 TCP Collectosaurus Big Hitz Loot Crate Football Product Changes

In an effort to make our Loot Crate product more affordable and quicker to package we have made a few minor changes to the product. Namely, crate purchases will now only include one 2025 TCP Collectosaurus 1902-03 World Series of Football Test Issue single rather than a pack, and cases will get 2 case bonus collectibles and a pack of storage supplies rather than 4 case bonus collectibles. Sell sheets will be updated accordingly. Everything else will remain the same, per box load-out can be found below:

Configuration

- 375 or More Cards per Box
- 3 Boxes per Case
- 4 Bonuses per Case

Box Break

- 10 Autographs or Relics
- 30 Vintage 1988 or Earlier
- 15 Parallels 1989 or Later
- 50 Rookies 1989 or Later
- 20 Inserts 1989 or Later
- 250+ Base Cards 1989 or Later

Our Patreon Page Launches 9/15!

The oft-mentioned but not-yet-deployed Patreon page will finally launch on 9/15! Here is a look at what it will include:

- A number of tiers with numerous monthly rewards including Promo Cards, Loot Crates, Beta Collector/Seller Services Website Access, Upcoming Product/Service Voting Privileges and more.
- Regular news updates going more in-depth into our current projects and product/service developments than our regular social media accounts.
- Previews of upcoming products and services.

Our Patreon efforts will be geared towards developing our website project and setting up for more advanced printing and publishing services. We've already got several sets in-development and ready to go as soon as we get to where we need to be equipment-wise. On the website front, we have plenty of content ready to go but just need to reach an income generation level that will allow us to invest in the needed server space to host our massive database.
